Event summary Report

Program driven by: IIC Calendar Activity
Program /Activity Name: Webinar on Angel Investment.
Venue: Online via Google meet.
Date: 30th August 2022.

To provide for the students at our college the knowledge on Angel investment in detail and ideas about steps for getting the same, or VC Funding. IR- Cell in association with IIC S.P.I.T organized an interactive Online Webinar, and brought in our very own SPTBI's current CEO, Mr. Chandrabhan Singh., to speak on the same.

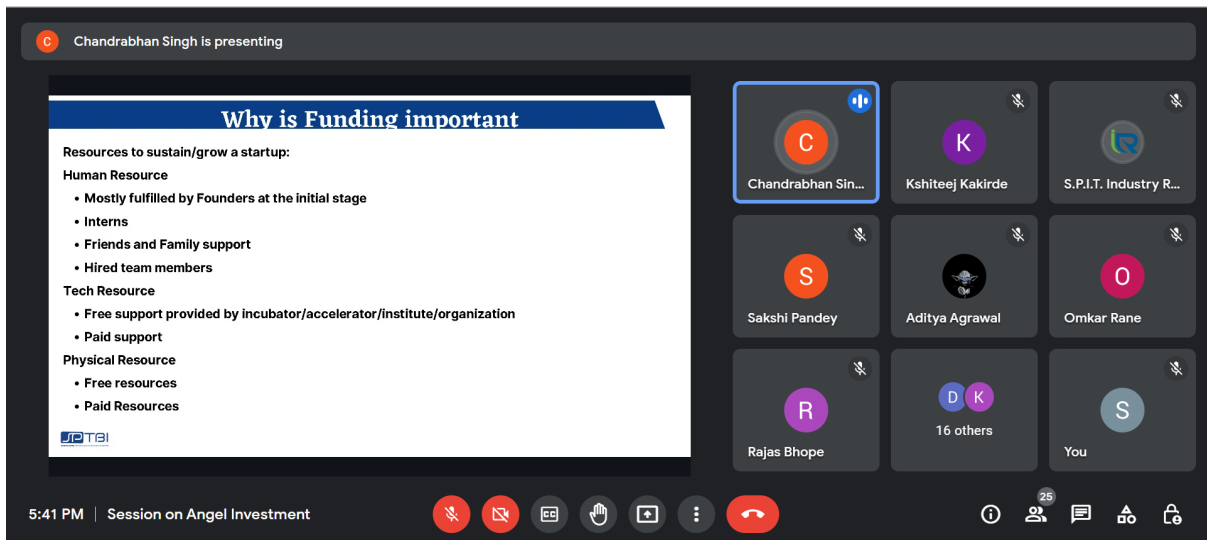

The event started off with the brief introduction of our already pretty popular speaker, Mr. Chandrabhan Singh, the CEO of SP-TBI, followed by roughly 45 minutes of valuable information from him.

The speaker covered the following topics-

- 1) What angel investment is and who is an angel investor, and about angel cores (a group of angel investors eager to invest in new innovative ideas.
- 2) The various options, opportunities, and stages of funding, like pre-seed, series, IPO.
- 3) SPTBI, our very own incubator, and its history and extensive features provided to budding startups both offline and virtually.
- 4) Various new programmes like Nidhi Prayas (for hardware startups), and schemes offered by SPTBI to promote the startup culture in and around Mumbai.

Students were given a chance to ask questions at the end which made it a fruitful interactive session.
