Event Summary Report

Program driven by: IIC Activity

Program /Activity Name: Exhibition for PoCs & Mentorship Session for Student Entrepreneurs

Event Name: Exhibition for PoCs & Mentorship Session for Student Entrepreneurs

Venue: Sardar Patel Institute of Technology , Bhavans Campus, Andheri West, Mumbai.

Date: 31st October - 1st November 2019.

On 31st October 2019, IIC in association with the department of Electronics and Telecommunication (EXTC) had organized an exhibition and project demonstration followed by project presentation on the 1st of November 2019. It was organized by Dr.Amol Deshpande, R&D coordinator for EXTC department in association with IIC and the Forum of Electronics and Telecommunication Students (FETS).

Judge checking out the project and analysing the project for scores

Project demonstrations were judged by external examiners. After completion they were greeted with awards which were provided by SPTBI. For presentations, esteemed faculties from the ETRX department acted as examiners for the day, while faculties from the EXTC department acted as examiners for students of the ETRX department. After judging the presentation and demos, students were also given valuable feedback and guidance. It was a successful day for the students as their hard work came to fruit and all the mentors & faculties were proud of the students as they had put in a lot of time and effort into making a successful project.

Giving away prizes to the winners

The activity was mentored by E-Cell and aimed at promoting entrepreneurship among the students.
