Event Summary Report

Program driven by: Self Driven Activity

Program /Activity Name: Texas Instruments IIC E-Cell Assessment

Event Name: Texas Instruments IIC E-Cell Assessment

Venue: Sardar Patel Institute of Technology , Bhavans Campus, Andheri West, Mumbai.

Date: 22nd October to 24th October 2019.

The Texas Instruments IIC E-Cell Assessment was held during a period of three days starting from the 22nd of October to the 24th of October 2019. Texas Instruments in collaboration with the Department of Science and Technology (DST), powered by AICTE mission proudly announced the DST & Texas Instruments India Innovation Challenge Design Contest 2019 anchored by NSRCEL, Indian Institute of Management, Bangalore (IIMB) and supported by MyGov.

Dr. Dhananjay Kalbande explaining participants the loopholes in the project

The contest was open to all Indian engineering students pursuing undergraduate, postgraduate Doctoral degrees with Indian engineering colleges. Texas Instruments (TI) invited all student innovators, thinkers and makers of the country to join the revolution, who have a dream to create something new, aspire to make a difference, contribute to India's success towards becoming an Innovation Hub.

Dr. Dhananjay Kalbande giving the participants his valuable feedback

IIC along with E-Cell organised the event and played a significant role to make it a success

It saw the participation of 35 teams who came up with innovative ideas and further Professor Kaiser Katchi and Dr. Dhananjay Kalbande who were mentoring the event gave valuable feedback to the participants.
